

# FAMILIES **GROW** TOGETHER

## You're Invited!

Families in Schuylkill County have a new opportunity to learn and grow together!

Many families face stress, challenges with bullying, difficulty sleeping, or concerns about how to support our young people. Families Grow Together will teach families new skills and ways to connect.

**To register your group for an onsite program, contact:**

## Bring the program to your group!

- **FREE** family fun!
- Two-part program that includes interactive discussions and healing arts course (art, drumming, or yoga)
- Open to any family in Schuylkill County with children ages 6-13

### Parents In The Know / Care for Kids

Provided by Sexual Assault Resource Counseling Center

Caregivers and children in separate groups will learn new skills for prevention, building healthy connections, and establishing healthy boundaries.

- Families Grow Together is seeking organizations and groups to host the program for their families!
- We will bring this program to your organization, and develop a schedule that fits your group's needs.
- All staff members associated with the program have valid child abuse/criminal history clearances AND are mandated reporters, which means they are obligated to directly report suspected child and older adult abuse.
